ABOUT UWL

UWL is a diversified provider of telecommunications services, specialising in fixed-wireless, fibre and specialty telecommunications services. These are the ‘three pillars’ of strategic growth identified by UWL.

UWL listed on the Australian Securities Exchange in February 2019 with a stated strategy of becoming a leading provider of niche telecommunications services, via both organic growth and inorganic mergers and acquisitions. UWL has brought together an experienced Board and Executive team, to support the identification, execution and integration of the sizeable pool of identified opportunities, across the three growth pillars.

At the core of UWL is a commitment to deliver high quality, diversified telecommunications products and services to its customers, in order to produce strong and growing returns to shareholders.
